FILE - 13-15 RALPH'S ICES - 407 FT. SALONGA ROAD

The application was for 2 bow tie shaped signs and 3 awnings. One sign located on 25A and one around the corner facing west on the same building . The one on 25a is 4'x 8' and on the building facing west is 3 x 2 '. Both signs have white background with blue shadow reading Ralph's Famous Italian Ices in red and blue letters. 2 blue window awnings measuring 4' wide with Ralph's in center of apron & 7' off sidewalk and one blue awning over the entrance reading Ralph's Famous Italian Ices. Motion was made by Gary Blake and seconded by Cliff Gardiner and unanimously approved

The application was for a change to the façade and signage. There was not enough information for the Board to make a decision. The Board wished to see a plan addressing the following: where the signs are going to go; what are the windows going to look like; are they going to be clear or tinted, where and how many lights are going to be put up. The application will be reviewed again when those questions are answered.

FILE - 07-56 GROOMINGDALE'S - 220 CHURCH STREET

Motion to approve the installation of a directory sign 8' x 65". The sign for Groomingdale will be green & tan on the white 4x4 white posts two sided signs. Approval conditional until color is review at the next meeting.
